Celebrating the Adventure ★ Continuing the Journey

Dear Vietnamese Scouters:

In 1911, Baden-Powell took the first steps in training Scouting's adult leaders by organizing a series of lectures for Scouters. He made great strides in the years that followed, culminating in 1919 with the establishment of Wood Badge training. Wood Badge recipients now number more than a hundred thousand, and can be found in all corners of the world.

The object of a Wood Badge course is to demonstrate as practically as possible the aims and methods of Scouting. Six days in duration, the course is a multi-faceted presentation of leadership skills, organizational tools, and participatory activities based on the best of Scouting traditions and the latest of team-development theory. In addition, participants will enjoy the fellowship of learning alongside many other volunteer and along the way will have a great deal of fun.

Upon successful completion of all course requirements, each participant receives a parchment certificate and the Wood Badge—two wooden beads to be worn around the neck on a leather thong.
